ENGINEERING NEWS-RECORD

A WEEKLY JOURNAL OF CIVIL ENGINEERING AND CONSTRUCTION

Volume 157

★

JULY-DECEMBER, 1956

McGRAW-HILL PUBLISHING CO., INC.
330 WEST 42nd ST., NEW YORK 36, N. Y.

A

Accidents

Brooklyn cave-in deaths—N. Y. C. acts to force contractors to provide better protection ..... Aug. 16 23
Brooklyn, N. Y. cave-in—five construction company officials indicted ..... Sept 20 25
Brooklyn construction excavation cave-in deaths bring suits and city-state controversy ..... July 19 25
Collapse of a wing of a 4-story concrete office building kills ten men in Jackson, Miss. ..... Oct. 11 *24
Falsework failure injures eleven men in Jackson, Miss. ..... Oct. 11 25
Feather River diversion tunnel collapse kills two ..... July 12 24
North Bergen, N. J. television tower hit by private plane ..... Nov. 22 *26
Varennes, Que.—trench sheeting fails, cave-in kills seven ..... Nov. 1 *25

Aeronautics

Airports
Castle Air Force Base, Calif. use of new finishing equipment to meet the rigid paving specifications ..... Dec. 6 308
Chicago Midway Airport improves runways, taxiways (unit prices) ..... Dec. 6 240
Dallas Love Field ramps and service ways (unit prices) ..... Dec. 6 237
Edwards Air Force Base, Calif.—rocket test cantilever concreting needs massive timber tower support ..... July 26 (F) *40
Ellsworth Air Force Base, South Dakota—$1.3 million for aprons (unit prices) ..... Sept. 20 45
Indianapolis Airport—close bids on run and taxiways (unit prices) ..... Dec. 6 238
Little Rock Air Force Base, Ark. contract for bituminous concrete apron (unit prices) ..... Nov. 1 78
Miami International Airport—taxiways and lighting (unit prices) ..... Dec. 6 239
Michigan Airport will cost $10.7 million ..... Nov. 15 29
Minnesota Airbase changes to rigid paving (unit prices) ..... Aug. 16 98*
New Castle, Del. County Airport—Air Force requests funds for new jet strip ..... July 5 32
1959's civilian jet airliners are a boost for airport work ..... Dec. 6 73
North Dakota Airfield, the Hector Field in Fargo gets cement concrete pavement (unit prices) ..... Dec. 6 240
Hangars
Edwards Air Force Base, Calif. steel trussed arches span 360 ft in hangar ..... Aug. 9 (F) *36
Lakehurst, N. J. World War II blimp hangars get new roof ..... Sept. 6 32
Newark Airport, N. J. was tilted up to provide additional clearance for new DC-6 and DC-7 ..... Aug. 2 *23
Philadelphia International Airport cables support 130 ft hangar roof ..... Dec. 27 (F) *39
Heliports
Concrete landing decks for helicopters go to sea ..... Nov. 15 *25
New York City First commercial heliport scheduled for completion in three months ..... July 19. 24
Simmons Field, N. C. paving costs $8.59 per sq. ft. (unit prices) ..... Sept. 13 110
Radar platforms
Nantucket Shoals second Texas tower rises over the sea ..... Aug. 16 *26
Texas tower tilts down into place east of Sandy Hook ..... Oct. 25 (F) *40
Seadrome for San Diego Navy—Bids sought ..... Dec. 6 76
Africa—Gold Coast's Volta River gets first bridge ..... Aug. 16 *22

Air Conditioning

Air-conditioned machine shop in Texas (unit prices) ..... July 5 137
Building for industry—New ways to heat and cool ..... July 5 (F) *94
Los Angeles central plant for heating and air conditioning Civic Center ..... Nov. 1 *24

Air Pollution

Bromley, Ky. Mayor calls odoriferous sewage plant "costly experiment" ..... Sept. 20 26
Glendale, Calif. new incinerator promises less smog ..... Oct. 11 (F) *47
Los Angeles—rubbish burning serious contributor to smog ..... July 19 44
Odor control by lagoon dusting at sewage lagoon in Regina, Saskatchewan ..... Nov. 1 76
Ozone forms in smog areas ..... Dec. 6 308
PHS allocates half million for fiscal 1957 research ..... Nov. 1 40
Allied Consultants of Canada, Ltd. International consulting combine formed ..... Sept. 6 77

Aluminum

Africa's Gold Coast hydro-aluminum project is termed feasible ..... Sept. 13 68
Aluminum and plastic dome will be erected in St. Louis, Mo. for the Mid-America Jubilee ..... Aug. 9 *27
Aluminum, Ltd. plans $100-million metal project in West Africa Nov. 29 79
Colored aluminum for Pittsburgh's Carnegie Institute ..... Nov. 1 *24
Lakehurst, N. J. World War II blimp hangars get new roof ..... Sept. 6 *32
Olin Mathieson Chemical Corp. And Revere Copper form aluminum company ..... Sept. 6 172
Shortage of aluminum building sheets ..... Sept. 6 180
American Assn. of State Highway Officials—Atlantic City meeting discusses interstate system, use of electronics ..... Dec. 27 (F) 69
Bugge, W. A., new president ..... Nov. 29 *45
American Public Works Association—62nd annual convention highlights authorities vs. elected city officials ..... Oct. 4 (F) *29
American Road Builders Assn.—Chicago International Amphitheater being enlarged for Road Show ..... Nov. 22 *27
County and Local Roads Div. annual meeting ..... Sept. 27 26
Grand Plan gets boost from ARBA ..... Sept. 27 26
American Road Builders Assn. and Construction Industry Manufacturers Assn.—Road Show—More than a show ..... Nov. 29 *36
American Society of Civil Engineers—Annual convention in Pittsburgh votes two studies of profession, technical papers on construction ..... Oct. 25 24
Lockwood, Mason G. new president takes stock ..... Oct. 25 *69
American Society for Testing Materials—New data on how materials behave ..... Oct. 4 (F) 69

Aqueducts

Delaware Aqueduct—the unused Hudson River pumping station at Chelsea, N. Y. faces destruction ..... July 12 *25
Delaware Aqueduct to be dewatered and cleaned before Long Island water supply system can be released for sale ..... Aug. 2 24

Arches

Brazil's Peixoto Dam has arch between gravity sections (map) ..... Aug. 2 (F) *42
Concrete arches above exhibition palace at Nice, France ..... Aug. 23 (F) *36
Edwards Air Force Base—steel trusses arches span 360 ft in hangar ..... Aug. 9 (F) *36
Light gage steel arches span 100 ft to form roof over Phoenix, Ariz. sports coliseum ..... Aug. 16 *33
Six three-hinged arches form marble roof dome of Palo Alto, Calif. market ..... H. M. Engle ..... Sept. 13 (F) *42
Sports arena at Commack, N. Y. said to be biggest building yet framed with glued laminated wood roof arches ..... Aug. 30 *27
Wood falsework for Italian concrete bridge spans 331 ft ..... Aug. 16 *71

Architects

Architect-engineer new business in 1955 by type of work and compared with 1954 (tables) ..... Oct. 18 111
Architects new business in 1955 By type of work and compared with 1954 (tables) ..... Oct. 25 108
Balky architects not striking R. B. Cutler ..... July 5 16
Delaware's 5% fee limit on school jobs repealed ..... July 5 30
Asphalt gunite—Used to line canals ..... Sept. 13 (F) *35
Associated General Contractors—Meeting in Milwaukee spotlights manpower as one more problem for contractors ..... Sept. 27 23
Associations—Gird up, it's meeting time ..... Sept. 20 e132
Atkinson, Guy F. Gets 1957 Moles Award ..... Nov. 15 *26

Atomic Energy

ASCE discusses Shippingport, Pa. nuclear power plant ..... Oct. 25 *21
Army Package Power Reactor unpackaged at Fort Belvoir, Va. ..... July 12 (F) *45
Columbus, Ohio—Battelle Institute large pool reactor finished ..... Nov. 8 *23
First nuclear plant goes on the line in England ..... Oct. 25 *48
Giant sphere to be built to house atomic reactor ..... Aug. 16 25
Michigan atom plant opposed by unions ..... Nov. 15 111
Not entirely for us ..... Nov. 15 e132
Nuclear information group will aid utility companies ..... Oct. 4 32
Nuclear research laboratory at Pawling, N. Y. features low-cost shielding R. F. Borg (table) ..... Dec. 6 (F) *295
U. S. Chamber of Commerce approves federal plant insurance ..... Dec. 20 72
Yankee Atomic Electric Co. plans financing for atomic power plant in Rowe, Mass. ..... Nov. 29 78

Atomic Energy Commission

Hanford labor dispute truce reached ..... Oct. 4 147
Hanford travel pay dispute deadline set ..... Aug. 30 78
Auditoriums see Stadiums

Automation

Automation spurs training for Canadian electricians ..... Aug. 23 119
Labor looks at automation ..... July 12 110
Water and sewerage systems ENR status report on automatic controls ..... Aug. 2 *19

Awards

Founder Societies' medal to Adm. Ben Morrell ..... Oct. 25 23
Curtis W. McGraw Research Award to be given for engineering research ..... Nov. 8 32
Moles Award 1957 to Guy F. Atkinson, Louis R. Perini ..... Nov. 15 *26

B

Baldwin, Robert Hugh (Sam)—A modern roadbuilding pioneer retires ..... Aug. 16 *86
Barker, Joseph W.—Elected president by Engineers Joint Council ..... Dec. 6 76
Beach Protection see Shore Protection

Beams

Composite concrete beam and slab construction needs no shear keys—Shear keys are useless. H. M. Hadley ..... July 26 9
Shear keys still necessary. R. V. Hauer ..... Sept. 13 10
Steel I-beam bridge will replace old structure in Wyoming (unit prices) ..... Nov. 15 32
Tests of prestressed concrete bridge beam shows need for web steel. W. E. Dean ..... Dec. 20 (F) *36
Blasting—Warning system set up to announce time blasting along Connecticut Turnpike ..... Aug. 23 34
Bloe, C. E.—Steps out after 21 years with TVA ..... Dec. 27 *52

Bonds

Bond market better ..... Sept. 27 106
Connecticut postpones sale of $75-million road bonds ..... Nov. 8 139
Connecticut Turnpike hits bond market roadblock ..... Nov. 29 77
Jacksonville, Fla. construction gets $100-million bond boost ..... Nov. 22 80
Memphis, Tenn. sells biggest city bond issue at highest rate to finance steam power plant ..... Dec. 20 28
Money scarcity puts breaks on boom ..... Aug. 30 74
Municipal bond sales lag ..... Sept. 6 170
Prices down again, levels reach 17-year low ..... Nov. 22 81
Record total of $2.7-billion will be submitted to the voters ..... Nov. 1 27
Sacramento, Calif. tries novel bond plan to finance redevelopment ..... Aug. 30 75
Washington State Toll Bridge bonds slated to go to market for second time ..... Sept. 20 113

Book Reviews

Aluminum in modern architecture. Vol. 1. John Peter, Vol. 2 Paul Weidlinger ..... Dec. 13 58
Analysis of structures. N. J. Hoff ..... Oct. 11 105
Architects' detailed sheets ed. E. D. Mills ..... Sept. 6 104
Architectural beauty in Japan. Horiguchi & Hamaguchi ..... Aug. 16 96
Architectural construction. Theodore C. Frane ..... Sept. 20 82
Architectural engineering ..... Sept. 13 107
Architectural graphic standards 5 ed. Ramsey & Sleeper ..... Oct. 11 105
Building planning and design standards. H. R. Sleeper ..... Sept. 6 102
Concrete roads design and construction. Road Research Laboratory, D. S. I. R. ..... July 26 76
Construction planning, equipment, and methods. R. L. Peurifoy ..... July 19 78
Design and construction of engineering foundations. F. D. C. Henry ..... Oct. 11 105
Design in civil architecture. Richardson & Gerflate ..... Nov. 8 90
Design for reinforced concrete. W. Hognestad ..... Aug. 9 82
The design of storm water inlets—compiled by the Storm Drainage Research Project Committee at Johns Hopkins University ..... July 19 78

* Illustrated; e, editorials; (F) Articles over a page

Disposal of sewage and other waterborne wastes. Karl Imhoff & others Dec. 13 58
Engineering as a career. R. J. Smith Sept. 6 102
Engineering mechanics. Timoshenko & Young Sept. 27 68
Foundations design and practice. E. E. Seelye Aug. 23 77
Foundation engineering. Rolt Hammond Aug. 9 81
The future of arid lands ed. G. F. White Dec. 27 56
Handbook of engineering materials. Miner & Seastone Aug. 9 82
Italy builds. C. E. Kidder Smith Aug. 16 96
McGraw-Hill Encyclopedia of Science and Technology planned Sept. 27 68
The metropolitan transit problem. Winfred Owen Oct. 18 74
Our nation's water resources, policies and politics. Ben Morcell Oct. 25 72
Precast concrete Kurt Billig July 26 76
Rideau waterway. Robert Legget Oct. 11 105
School planning and building handbook. N. L. Englehardt & others Dec. 27 56
Streamlined specifications standards Vol. II Mechanical and Electrical. Small & Axelbank Aug. 9 81
Structural shop drafting Vol. 3. American Institute of Steel Construction Aug. 16 96
Trane air conditioning manual. The Trane Company July 26 76
The ultimate-load theory applied to the design of reinforced and prestressed concrete frames. A. L. L. Baker Dec. 27 56

Bridge Accidents & Failures

Brazos River, Tex highway bridge collapse blamed on faulty shoring July 12 23
Cleveland, Ohio huge 450-ft ore handling bridge loses bout with heavy winds Aug. 23 *27
Hawaii's Territorial Highway Dept. battles bridge-devouring termites July 12 28

Bridge Construction

Appomattox Bridge substructure in Virginia (unit prices) Nov. 8 94
Bascule bridge in Stockholm, Sweden is one of the biggest Aug. 30 *44
Carquinez Bridge, Calif., caisson concreting begins Sept. 13 *27
China's Yangtze bridge will link Wuchang and Hanyang Sept. 13 66
Chicago's Calumet Skyway—new bids on toll bridge are up 3.45% (unit prices) Oct. 4 107
Florida's four lane project across Tampa Bay built at low cost. W. E. Dean Sept. 20 (F) *42
Great Britain plans record steel arch bridge over Mersey River Aug. 23 58
Hampton Roads Bridge-Tunnel job slowed by approaches (map) Nov. 29 (F) *34
Hartford, Conn. bridge plans slowed because of availability of U. S. funds for highway purposes Sept. 13 27
India—new 2½ mile Ganges bridge will open up North Bihar July 5 124
Italy's Santa Trinita Bridge over Arno at Florence being rebuilt Dec. 20 *49
Kansas City, Mo.—Missouri crossings: ancestor (1869), first generation and new addition Sept. 27 *27
Kingston-Rhinecliff Bridge, N. Y. is key step in completing 800-ft-long continuous-truss span (map) Aug. 9 (F) *42
Lake Washington—location of second floating bridge awaits new recommendation Aug. 23 34
Louisiana—24-mile bridge across Lake Pontchartrain Aug. 30 (F) *30
Louisiana—24-mile bridge across Lake Pontchartrain—Good cost record. M. M. Upson Nov. 8 6
Malayan government asks foreign bids for bridge job Aug. 30 44
Montana—T-beam bridges (unit prices) Sept. 6 120
New Orleans, La. cantilever highway toll bridge—Delay from strikes. F. M. Masters Aug. 2 8
New Zealand bridge building becoming rapidly expanding field Sept. 27 *52
Prestressed girders for Corpus Christi Ship Channel Bridge, Tex. (unit prices) Dec. 20 61
Quinnipiac River Bridge foundation use of banded forms to save time and money Dec. 13 (F) *40
St. Lawrence crossing—superstructure bids for high-level bridge across South Cornwall Island Channel asked Oct. 4 32
St. Lawrence Seaway's opening may be delayed by failure to complete suspension bridge to Cornwall Island (map) Aug. 2 22
San Francisco Bay crossing called financially marginal Nov. 15 24
San Francisco's Richmond-San Rafael Bridge outmodes another bay ferry Sept. 13 *28
Santa Felicia Dam, Calif.—cranes move in unison to erect 122-foot precast span Sept. 27 *41
South Carolina Highways—contracts for reinforced concrete bridge and underpass awarded (unit prices) July 12 24
Steel truss railroad structure across Lubaba River, Belgian Congo, being constructed Sept. 13 *64
Virginia bridges, the Rappahannock River, largest high-level bridge ever built by state dept. Nov. 8 (F) *34
Volta River bridge, Africa, nears completion Oct. 4 *56
Washington, D. C. bridges top estimate by 19.5% (unit prices) Sept. 6 120
Washington—plans for two new bridges gain headway July 5 32

Bridge Design

Bascule bridge in Stockholm, Sweden is one of the biggest Aug. 30 *44
Connecticut prestressed concrete bridge will have many 120-ft spans. Sept. 6 27
Early suspension bridge. N. De Wind July 5 *10
Fort Pitt Bridge, Pa.—unusual design described at ASCE meeting Oct. 25 *21
Fort Pitt Bridge, Pa.—unusual design—Previous truss-tied arches. Louis Balog Nov. 15 8
Great Britain plans record steel arch bridge over Mersey River Aug. 23 58
Missouri River Bridge cited as most beautiful long-span bridge Oct. 25 *26
New York Thruway sets welded-girder record. E. J. Ramer Nov. 1 (F) *43
Prestressed hollow-box girder bridges in Cuba show savings in construction costs. H. K. Preston Dec. 27 (F) *34
Staten Island-N. J. railroad bridge contract awarded for longest lift span Dec. 13 *25
Steel girder underbrids post-tensioned concrete for pedestrian crossing over the Delaware River (unit prices) Dec. 6 24
Wyoming I-beam bridge and highway cost $639,452 (unit prices) Nov. 15 82

Bridges

Africa
Gold Coast's Volta River gets first bridge Aug. 16 *72
Volta River bridge nears completion Oct. 4 *56
Appomattox Bridge, Va.
$993,667 contract for substructure (unit prices) Nov. 8 94
Belgian Congo
Steel truss railroad structure across Lubaba River being constructed Sept. 13 *64
Brazos River, Tex.
Highway bridge collapse blamed on faulty shoring July 12 23
California
Richmond-San Rafael Bridge—proposed 25-cent fare for motorcycles may be tripled July 5 30
Canada
Contract let for suspension bridge across South Cornwall Channel Dec. 13 *28
Cornwall Island bridge may delay opening of the St. Lawrence Seaway (map) Aug. 2 22
Superstructure bids for high-level bridge across South Cornwall Island Channel asked Oct. 4 32
Carquinez Bridge, Calif.
Caisson concreting begins Sept. 13 *27
Scrapers in tandem are tools for biggest highway dirt job; freeway approach for Carquinez Bridge (map) Oct. 4 (F) *36
Chicago, Ill.
Calumet Skyway—new bids on toll bridge are up 3.45% (unit prices) Oct. 4 107
China
Yangtze bridge will link Wuchang and Hanyang Sept. 13 66
Cleveland, Ohio huge 450-ft ore handling bridge loses bout with heavy winds Aug. 23 *27
Connecticut
Prestressed concrete bridge will have many 120-ft spans Sept. 6 27
Cuba
Design of prestressed hollow-box girder bridges. H. K. Preston Dec. 27 (F) *34
Delaware Memorial Bridge
New Jersey still blocks Delaware crossing plans, demanding toll-free passage Dec. 6 24
Delaware River
Covered bridge between Portland, Pa. and Columbia, N. J. will be replaced by steel girder bridge (unit prices) Dec. 6 243
Ecuador
Steel bridge at Quevedo to connect Pan-American Highway with the Pacific Coast Nov. 8 *61
Florida
Bascule bridge for 126.82 per sq. ft. of deck (unit prices) Dec. 6 243
Four lanes across Tampa Bay at low cost. W. E. Dean Sept. 20 (F) *42
Fort Pitt Bridge, Pa.
Unusual bridge design on the Penn-Lincoln Parkway described at ASCE meeting Oct. 25 *21
France
Europe's largest suspension bridge across the Seine River in Tancarville Nov. 8 61
Germany
Rhine at Cologne gets single-tower suspension bridge July 26 *63
Great Britain
Record steel arch span planned over Mersey River Aug. 23 58
Grey's Point Bridge, Va.
Virginia bridges another of its broad rivers, Rappahannock River Nov. 8 (F) *34
Hartford, Conn.
Five new bridges for Connecticut River slated as toll structures Oct. 25 27
India
New 2½-mile Ganges bridge will open up north Bihar July 5 124
Italy
Santa Trinita Bridge at Florence being rebuilt Dec. 20 *49
Vatazzo project, a concrete arch bridge using wood falsework for its 311 ft span Aug. 16 *71
Kansas City, Mo.
Missouri crossings: ancestor (1869), first generation and new addition Sept. 27 *27
Kansas turnpike bridge is memorial to young engineer Aug. 23 32
Kingston-Rhinecliff Bridge, N. Y.
Erection speed governs newest Hudson bridge (map) Aug. 9 (F) *42
Lansing, Mich.
Overpass is made of prefabricated steel Nov. 15 *23
Louisiana
24-mile bridge across Lake Pontchartrain Aug. 30 (F) *30
24-mile bridge across Lake Pontchartrain—Good cost record. M. M. Upson Nov. 8 6
Michigan
Mackinac Bridge cable spinning begins July 26 25
Mackinac Bridge, world's longest suspension span may become model for Sweden-Denmark bridge Nov. 15 64
Missouri River Bridge, Leavenworth, Kansas
Cited most beautiful bridge Oct. 25 *26
Montana
T-beam bridges (unit prices) Sept. 6 120
New Orleans, La.
New bridge keys city's development—Delay from strikes. F. M. Masters Aug. 2 8
New York City
Staten Island—N. J. railroad bridge contract awarded for longest lift span Dec. 13 *25
New York State
Thruway viaduct sets welded-girder record. E. J. Ramer Nov. 1 (F) *43
New Zealand
Mangaturanga Stream bridge Sept. 27 *52
Philadelphia, Pa.
Walt Whitman Bridge nears completion Aug. 9 *28
Quinnipiac River Bridge, Conn.
Banded forms save time and money Dec. 13 (F) *40
San Francisco, Calif.
Bay crossing called financially marginal Nov. 15 24
Richmond-San Rafael Bridge outmodes another bay ferry Sept. 13 *28
Santa Felicia Dam, Calif.—cranes move in unison to erect 122-foot precast span Sept. 27 *41
Singapore
Early suspension bridge. Norman De Wind July 5 *10
Stockholm, Sweden
New bridge billed as the largest single-leaf bascule in the world Aug. 30 *44
New bridge billed as the largest single-leaf bascule in the world—Speed questioned. D. N. Becker—Speed answered. Correction. George Williamson Oct. 18 8
Texas
Corpus Christi Ship Channel Bridge—prestressed girders (unit prices) Dec. 20 61
Venezuela
Lake Maracaibo strait bridge July 19 61
Washington, D. C.
Bridges top estimate by 19.5% (unit prices) Sept. 6 120
Washington State
Forest highway bridges (unit prices) Dec. 6 243
Location of second floating bridge across Lake Washington awaits new recommendation Aug. 23 34
Plans for two new bridges gain headway July 5 32
Proposed Seattle crossing plagued by legal doubts about toll Aug. 9 24
Wyoming
Continuous concrete slab bridge (unit prices) Dec. 6 243

* Illustrated; e, editorials; (F) Articles over a page

I-beam bridge over Snake River in Grand Teton National Park and highway cost $631,452 (unit prices) Nov. 15 32
Brush control—Reducing the high cost. B. B. Hodgden ..... Dec. 6 (F) *287
Budd, Ralph—Honored for brilliant career by AICE ..... Dec. 6 *75
Bugge, W. A.—Heads up AASHO. Nov. 29 *54

Building Accidents and Failures

Columbus, Ohio—partly erected steel framework of an auditorium collapses ..... Aug. 2 *24
Elk Point, S. D. buildings imperiled by soil settlement ..... Oct. 11 *33
Jackson, Mich.—flat slab breaks from columns in building failure. Oct. 11 *24
Jackson, Mich.—flat slab breaks from columns in building failure—Cracks at inflection points. D. B. Cheskin ..... Nov. 22 6
Jackson, Miss.
5-story reinforced concrete parking garage collapses ..... Oct. 11 25
5-story reinforced concrete parking garage collapses—Engineer must design formwork. Zachary Sherman ..... Nov. 1 8
Orlando, Fla.
Rain broke school roof ..... Oct. 18 27
School roof collapse held a bearing failure ..... Nov. 8 25
School roof collapses, inquiries under way ..... Sept. 20 27
Robins Air Force Base, Macon, Ga.
Concrete warehouse roof failure sparks more studies ..... Sept. 27 *28
Concrete warehouse roof failure sparks more studies—Failure report clarified. Edward Cohen ..... Oct. 25 11
Concrete warehouse roof failure sparks more studies—More facts and less theorizing. H. M. Hadley ..... Oct. 25 12
Concrete warehouse roof failure sparks more studies—Why frame girders failed. Louis Balog. Oct. 18 11
San Mateo, Calif.—lift-slab school roof collapse in 1954—four men injured, get award ..... Nov. 29 27
Secrecy is dangerous ..... Oct. 11 e160
Wilkins Air Force Station warehouse collapse—Frames failed in torsion E. H. Harder ..... Dec. 13 10

Building Construction

AFL-CIO housing proposals ..... Nov. 15 117
American Brass mill at Paramount, Calif foundations go in last ..... Sept. 13 *33
Better factories for improved productivity ..... July 5 e200
Beverly Hills, Calif.—$10-million co-op apartment planned ..... Nov. 15 108
Building for industry—better, faster, cheaper—report ..... July 5 (F) *37-107
Building for industry—Here's where the boom is heading (map) ..... July 5 103
Building for industry—How industrial construction shifts from one region to another—1938-1956 (charts) ..... July 5 (F) 104
Canada, Toronto apartment boom ..... Sept. 20 56
College construction mushrooming into boom construction (chart) ..... Sept. 27 (F) 21
Commack, N. Y., sports arena said to be biggest building yet framed with glue-laminated wood roof arches ..... Aug. 30 *27
Costs
AGC official claims labor keeps building costs high ..... Nov. 15 115
American Appraisal building cost index (table) ..... Dec. 6 96
Boeckh index of building costs (table) ..... Dec. 6 99
Building cost and price indexes (charts & tables) ..... Dec. 6 92
Building for industry—35 ways to cut building costs ..... July 5 (F) *46
Building for industry—35 ways to cut building costs—Another source for closures. W. C. Fischer. Aug. 9 8
Building for industry—35 ways to cut building costs—How to cut footing costs. C. A. Fetzer. Aug. 2 10
Construction-room is key to housing bid-price check (charts & tables) ..... Dec. 6 (F) 288
Detroit's convention hall will go ahead despite reported increase of $7 million in estimated cost ..... Nov. 29 27
ENR construction and building cost indexes (charts & tables) ..... Dec. 6 81
ENR cost indexes in 21 cities 1948-1956 (charts & tables) ..... Dec. 6 81
Guide for television station cost estimates. R. D. Chipps (tables) Dec. 6 (F) 273
Handy-Whitman index of public utility costs (table) ..... Dec. 6 101
Methods for cutting costs on homes of medium size ..... Nov. 8 24
Teaneck, N. J., budget balancers built into school bids (tables) ..... Dec. 6 (F) *280
Where the building dollar goes (table) ..... Dec. 6 208
Where the building dollars go (unit prices) ..... Aug. 2 62
Where the industrial building dollar goes (unit prices) ..... July 5 137
Dallas-Fort Worth, Tex.—on-the-spot report ..... Dec. 20 *72
Denver, Colo., excavation for building project believed to be world's biggest on record ..... July 12 *24
Dome roof for Albuquerque, N. M., civic auditorium, formed on mound needs no shoring ..... Sept. 27 (F) *36
Eisenhower's record on construction (chart) ..... July 19 21
Enfield, Conn., state prision plans bog down in disagreement over type of enclosure ..... July 26 28
Enfield, Conn. state prision—sit-down strike at Wethersfield may spur building program of new penitentiary ..... Aug. 9 28
GSA's Public Buildings Service set for big spurt in federal lease-purchase. V. B. Smith ..... Sept. 6 (F) *23
Haifa, Israel—parabolic contour for chemical storage building ..... Sept. 6 *74
Homebuilders go to court in dispute on stucco work ..... Nov. 1 116
How 81 manufacturers handle design and construction of new plant ..... July 5 (F) 177
How much does insulation pay off? ..... Sept. 6 99
Industrial building boom 1956 (table) ..... Nov. 8 21
Industrial building boom—reserve capacity is the key (chart & tables) ..... Nov. 1 108
Industrial building contracts set July record (table) ..... Aug. 9 134
McKeesport, Pa. compost plant set to serve city ..... Sept. 6 *26
Melbourne, Australia hotel will feature built-in heliport and rotating cabaret atop glass tower ..... Sept. 20 *62
Minneapolis, Minn. office building has colored glass panels with panelized backup ..... Nov. 15 *23
New data on how materials behave ..... Oct. 4 (F) 45
New Orleans warehouse low cost construction achieved through use of wood "poles" to support building ..... Sept. 13 *87
New York City—bolting begins for 38-story building ..... Nov. 22 *28
N. Y. C. sidewalk protection bridge around new office building under construction promotes good will. Dec. 20 *26
N. Y. C.'s Wagner Houses—concrete placed at 235 cu yd per hr for foundation mat ..... Dec. 20 *22
Nice, France exhibition palace—concrete louvers arch 285ft. Aug 23 (F) *56
Novel pile-driving method expands base, shrinks cost at Jacksonville, Fla. building site ..... Oct. 4 92
Pawling, N. Y. nuclear research facility features low-cost shielding. H. M. Berg (table) ..... Dec. 6 (F) *295
Plastic house—M.I.T. test home goes up in Disneyland ..... Sept. 13 102
Prefabrication speeding Russian housing project ..... Sept. 6 *72
Regional outlook for the second half of '56 (chart) ..... July 12 105
Revolving room tops out new home in New Albany, Ohio ..... Aug. 30 *28
St. Louis site readied for 100-ft tube framed dome ..... Aug. 9 *27
Six three-hinged arches form roof dome for Palo Alto, Calif. market. H. M. Engle ..... Sept. 13 (F) *42
Union Bridge, Md. cement-storage silos—hoppers raised to gantry by ground-based cranes ..... Aug. 9 (F) *47
U. S. construction: how fast should it go? (charts) ..... Sept. 20 (F) 21
Vertical trusses resist wind load in Nashville, Tenn. skyscraper. R. H. Bryan ..... Sept. 6 (F) *36

Building Design

Albuquerque, N. M. civic auditorium—dome roof formed on mound needs no shoring ..... Sept 27 (F) *36
Better factories for improved productivity ..... July 5 e200
Building for industry—better, faster, cheaper—report ..... July 5 (F) *37-107
Building for industry—is the trend toward one-story or multifatory buildings? ..... July 5 *39
Building for industry—New levels in noise control ..... July 5 (F) *74
Building for industry—what are industry's new buildings like? July 5 *38
Building for industry—who designs buildings for industry? ..... July 5 *44
Built-in jacks lift settling vault for San Francisco bank ..... Dec. 13 (F) *37
California changes design of two buildings as result of steel shortage ..... Sept 13 33
Commack, N. Y. sports arena said to be biggest building yet framed with glued-laminated wood roof arches ..... Aug. 30 *27
Earthquake resistance
Los Angeles office building—continuity lightens welded steel frame by 350 tons ..... July 12 (F) *38
Quake-resistant design experts pool knowledge ..... July 26 (F) *32
San Francisco Office building has long-span floors and center core ..... Oct. 25 (F) *36
San Francisco, Calif.—20-story glass-walled office building on columns ..... Aug. 2 *21
Furthering modular measure ..... July 26 e120
GSA-approved designs keep pace with the times ..... Sept. 6 *25
Harrisburg, Pa.
Stone-enclosured buildings—Credit for stone. G. A. Crago ..... Sept 27 8
Stone-enclosured buildings—new look in sandwich panels ..... Aug. 16 (F) *35
How 81 manufacturers handle design and construction of new plant ..... July 5 (F) 177
Hyperbolic-paraboloidal roof shape; pilot project passes tests ..... Oct. 4 (F) *65
Hyperbolic paraboloid roofs lobby of Waikikian Hotel, Hawaii ..... Dec. 20 *24
Hyperbolic-paraboloidal shaped concrete roof of a gasoline service station in Fayetteville, N. C. ..... Oct. 25 (F) *33
Lichtfield County Hospital, Winsted, Conn. six-story lift-slab completed Nov.22 *24
Lyndhurst, N. J. industrial plant gets heaviest reinforced roof slabs ..... Nov. 22 *25
Metal prefabs fill classroom need ..... Oct. 11 *73
New York City
Bolting begins for 38-story building ..... Nov. 22 *28
Seagram Building's first bronze panels are placed ..... Nov. 8 *24
Palo Alto, Calif. market roof dome formed by six three-hinged arches H. M. Engle ..... Sept. 13 (F) *42
Parabolic contour of chemical storage building in Haifa, Israel ..... Sept. 6 *74
Paraboloidal perplexity. J. H. Kaiser ..... Sept. 27 8
Portland, Ore. building planned as 8-story reinforced concrete structure changed to 11-story with steelframe construction ..... Nov. 1 *25
Revolving room tops out new home ..... Aug. 30 *28
Thin panels curtain five-story building at the Homestead District Works, Munhall, Pa. ..... Nov. 8 *25
Turin, Italy, building facade shows man's progress ..... Sept. 13 *65
Ultimate-strength design—London conference hears new prediction theories ..... July 26 70
Wind Resistant
Nashville, Tenn. skyscraper vertical trusses resist wind load. R. H. Bryan ..... Sept. 6 (F) *36
X-shaped engineering building planned in South Charleston, W. Va. by Carbide & Carbon Chemical ..... Nov. 29 *77
Building Design see also Beams, Concrete, Girders, Roofs and Roofing

Building Laws and Regulations

Better building inspection ..... Nov. 8 e160
Better building inspection—In favor. J. C. Cook ..... Dec. 6 12
Brooklyn, N. Y. cave-in—five construction company officials indicted ..... Sept. 20 25
Building officials plan housing and sign codes ..... Nov. 22 29
Code changes for Los Angeles, Denver and the Midwest ..... Nov. 1 27
Ultimate-strength design—London conference hears new prediction theories ..... July 26 70

Buildings

Albuquerque, New Mexico
Dome roof for civic auditorium formed on mound needs no shoring Sept. 27 (F) *36
Beverly Hills, Calif.
$10-million co-op apartment. Nov. 15 *108
Bloomfield, Conn.
Speeding installation of window panes for Connecticut General Life Insurance Building ..... Aug. 9 *64
Building for industry—better, faster, cheaper—report ..... July 5 (F) *37-107
Camden, N. J.
Convention Hall lighting is high-frequency, low-cost ..... Oct. 25 *27
Chicago
International Amphitheater being enlarged ..... Nov. 22 *27
Commack, N. Y.
Sports arena said to be biggest building yet framed with glued-laminated wood roof arches. Aug. 30 *27
Denver, Colo.
Solar heating being tested in nine-room house ..... Aug. 16 81
Detroit, Mich.
Convention hall and exhibit building will go ahead despite reported increase of $7 million in estimated cost ..... Nov. 29 27
Elk Point, S. D.
High school walls crack, soil settlement blamed ..... Oct. 11 *33

* Illustrated; e, editorials; (F) Articles over a page

Fayetteville, N. C.
Gasoline service station's concrete roof is a hyperbolic-paraboloidal shell ..... Oct. 25 (F) *33
Great Britain
Calder Hall Station, world's first nuclear plant ..... Oct. 25 *48
Haifa, Israel
Parabolic contour for chemical storage building ..... Sept. 6 *74
Harrisburg, Pa.
Stone-enclosured state buildings ..... Aug. 16 (F) *35
Stone-enclosured buildings—Credit for stone. G. A. Crago ..... Sept. 27 8
Hawaii
Hyperbolic paraboloid roofs lobby of Waikikian Hotel ..... Dec. 20 *24
Houston, Tex.
Air-conditioned machine shop (unit prices) ..... July 5 137
India
New Delhi readies hotel for UN body ..... Nov. 1 *54
Ionia, Mich.
Prison construction—building trades protest use of prison labor. July 19 115
Italy
Turin building facade shows man's progress ..... Sept. 13 *65
Jackson, Mich.
Collapse of a wing of concrete office building ..... Oct. 11 *24
Jackson, Miss.
Concrete parking garage collapses ..... Oct. 11 25
Jacksonville, Fla.
Novel pile-driving method expands base, shrinks cost ..... Oct. 4 92
Los Angeles, Calif.
Boilerhouse designed to harmonize with surrounding architecture in Civic Center ..... Nov. 1 *24
Construction Industry Center planned ..... July 12 *22
Office building, lightest limit-height steel structure on the West Coast is designed to withstand earthquake ..... July 12 (F) *38
Lyndhurst, N. J.
Industrial plant gets heaviest reinforced roof slabs ..... Nov. 22 *25
McKeesport, Pa.
Compost plant set to serve city ..... Sept. 6 *26
Macon, Ga.
Robins Air Force Base concrete warehouse roof failure sparks more studies ..... Sept. 27 *28
Melbourne, Australia
Heliport, rotating cabaret atop hotel ..... Sept. 20 *62
Minneapolis, Minn.
Wall backup panelized of 4-story office building for American Hardware Mutual Insurance Co. ..... Nov. 15 *23
Munhall, Pa.
Homestead District Works—U. S. Steel Corp's five story office building ..... Nov. 8 *25
Nashville, Tenn.
Vertical trusses in Life and Casualty Insurance office building resist wind load. R. H. Bryan ..... Sept. 6 (F) *36
New Albany, Ohio
Revolving room tops out new home ..... Aug. 30 *28
New Orleans, La.
Building materials center planned ..... Sept. 27 108
Low cost construction of warehouse achieved through use of wood "poles" to support building ..... Sept. 13 *87
New York City
Cooper Union plans engineering hall ..... Dec. 27 26
Heliport construction started. July 19 24
Park Row project ..... Oct. 25 *109
Seagram Building's first bronze panels are placed ..... Nov. 8 *24
Sidewalk protection bridge around new office building under construction promotes good will ..... Dec. 20 *26
60-story office building on the west side will be 8th tallest ..... Dec. 6 75
Tallest lightweight concrete building under construction ..... Nov. 29 *26
Wagner Houses—concrete placed at 235 cu yd per hr for foundation mat ..... Dec. 20 *22
Wanamaker's abandoned store—25-hour fire ..... July 19 25
World's tallest bolted building 38-story office building at Fifth Ave. ..... Nov. 22 *28
World's tallest bolted building—Bolting record topped. Shannon Mims ..... Dec. 13 9
World's tallest building—Bolts stressed to 80,000. E. P. Ball Dec. 13 9
Nice, France
Concrete louvers arch 285 ft above exhibition palace ..... Aug. 23 (F) *56
Orlando, Fla.
Rain broke school roof ..... Oct. 18 27
School roof collapse held a bearing failure ..... Nov. 8 25
School roof collapses, inquiries under way ..... Sept. 20 *27
Palo Alto, Calif.
Six three-hinged arches form market roof dome. H. M. Engle ..... Sept. 13 (F) *42
Paramount, Calif.
Foundations to carry machinery at American Brass mill go in last ..... Sept. 13 *33
Pawling, N. Y.
Nuclear research laboratory features low-cost shielding. R. F. Borg (table) ..... Dec. 6 (F) *295
Phoenix, Ariz.
Record span for light-gage steel to form roof of sports coliseum ..... Aug. 16 *33
Pittsburgh, Pa.
Colored aluminum roof for Carnegie Institute ..... Nov. 1 *25
Portland, Ore.
Pacific First Federal and Loan Building 11 stories now ..... Nov. 1 *25
Russia
Prefabrication speeding housing project ..... Sept. 6 *72
San Bernardino, Calif.
Prefab metal portable classroom buildings ..... Oct. 11 *73
San Diego, Calif.
Convair's silencer building quiets jet engines ..... Oct. 4 *35
San Francisco, Calif.
Bank of America branch building has built-in jacks to lift settling vault ..... Dec. 13 (F) *37
Office building has long-span floors at low premium ..... Oct. 25 (F) *36
Site picked for big federal building ..... Dec. 20 25
20-story glass-walled office building to be erected for Crown Zellerbach Corp. ..... Aug. 2 *21
San Mateo, Calif.
High concrete bents frame church ..... Dec. 27 *23
St. Louis, Mo.
Jubilee site readied for aluminum and plastic dome ..... Aug. 9 *27
Seattle
Olympic Hotel's Exhibition Hall will use old truss in remodeling program ..... Oct. 25 *24
Skokie, Ill.
PCA fire research center planned ..... Aug. 9 66
South Charleston, W. Va.
X-shaped engine ring building planned by Carbide & Carbon Chemical ..... Nov. 29 *77
Union Bridge, Md.
Crane-gantry team sets silo hoppers ..... Aug. 9 (F) *47
West Chicago, Ill.
National Concrete Masonry Assn. plans research building ..... Nov. 29 28
Wilmington, Del.
Tidewater refinery reaches milestone ..... Sept. 6 *29
Wichita, Kan.
Cold-storage depot gets novel roof of cellular-glass type. Nov. 29 (F) *41
Winsted, Conn.
Lichtfield County Hospital six-story lift-slab completed ..... Nov. 22 *24
Buildings see also Garages, Housing, Public Works, Warehouses
Bus Terminals—Detroit—spring start is scheduled for Greyhound depot ..... Dec. 13 27

C

Cables and Cableways:
Aerial tramway serves airway installation atop South Franklin Mountain, Tex. C. F. Dwyer ..... Aug. 23 (F) *42
Mackinac Straits Bridge cable spinning begins ..... July 26 25
Support 130-ft hangar roof at Philadelphia International Airport ..... Dec. 27 (F) *39
Table Rock Dam—cableway control via TV ..... Sept. 6 (F) *46
Vancouver Island—high-voltage submarine cable laid to B. C. mainland ..... Oct. 18 53
Caissons—Carquinez Bridge caisson concreting begins ..... Sept. 13 *27
Canals
Ashphalt gunite used to line canals ..... Sept. 13 (F) *35
Canada to build parallel Seaway canal ..... Dec. 13 32
Construction at Suez ..... Sept. 27 e124
Gateway Canal, Ogden, Utah—emergency slide repairs (unit prices) ..... Dec. 6 220
Hood Canal, Wash. new crossing termed financially feasible ..... Nov. 1 112
Long Sault Canal on the St. Lawrence—excavation of till tough, costly, behind schedule (map) ..... Dec. 27 (F) *28
Louisiana votes money for long-proposed Overton-Red River Waterway ..... July 19 28
Montana, Paradise Valley Canal, bids siphon against over-river crossing (unit prices) ..... Aug. 23 86
Moselle Canal project—France and Germany agree ..... July 12 62
Panama hauling will be cut in half with new type of towing engine ..... Nov. 29 *30
Suez Canal clearance job taken over by U. N. ..... Dec. 27 *22
Suez Canal—contractors are sought to clear canal ..... Nov. 29 (F) *21
Wilson Lock: models lick site and 100-ft lift ..... Aug. 30 (F) *34
Ceilings—Plastic ceiling panels diffuse light, absorb sound ..... July 5 *110
Cement
Bus stop on George Washington Bridge resurfaced with wire fabric sheets over asphaltic concrete ..... Oct. 4 *91
Colorado takes bids on processing soil cement (unit prices) ..... Sept. 27 72
Prices up—eleven major producers plan increases ..... Sept. 27 106
Soil cement at a dollar a yard. Oct. 25 77
Channels
Chicago's Calumet-Sag Channel—widening (unit prices) ..... Dec. 6 *219
Creating a new port for Freeport, Tex.—dock built on dry land, channel dredged to it. Adams & Wait ..... Aug. 23 (F) *36
Delaware River channel's dredging costs halved by floating sump. R. T. Klotz ..... Aug. 16 (F) *57
Great Lakes gigantic channel-deepening project (map, chart & table) ..... July 26 26
Hartford, Conn. brook channel improvement (unit prices) ..... Dec. 27 58
Houston Ship Channel—permanent "dock" for the retired battleship Texas ..... Aug. 2 (F) *51
Missouri River channel improvement program—Omaha District of Army Engineers changing over to continuous contracts ..... Sept. 20 27
St. Lawrence Seaway job tops estimate by 26% (unit prices) ..... Dec. 13 60
Wyoming diversion channel get nine bids (unit prices) ..... Nov. 15 82
Chimneys—Bronx, N. Y. stack razed by burning its temporary wood supports ..... Oct. 25 *25
Cities
Baltimore, Md. construction market ..... Nov. 15 110
Baltimore urban renewal under fire ..... Oct. 18 114
Battle Creek, Mich. slum clearance and urban redevelopment program ..... Aug. 9 *26
Cincinnati's planning pays dividends; city's road system grows (map) ..... Aug. 23 (F) 48
Columbus, Ohio controversy on sewerage ..... Nov. 8 22
Denver Water Board rejects two cloud seeding proposals ..... Nov. 8 27
Forest Park, Ohio—10,000-home city now under way (map) ..... Oct. 4 144
Hartford, Conn. on-the-spot report ..... Nov. 22 *78
Huntington, W. Va. may be named in an injunction action for failure to comply orders to start construction of sewage treatment plant. Nov. 8 27
Los Angeles, Calif. slum project approved ..... Sept. 13 146
Miami, Fla. on-the-spot report Dec. 27 71
Milwaukee proposes new zoning laws ..... Nov. 29 30
Nashville, Tenn.—plan more inclusive than metropolitan Toronto's in combining city-county public works and utilities ..... Nov. 1 23
New Orleans, La. on-the-spot report ..... Dec. 13 79
New Rochelle, N. Y. plans shopping center, garage and station. Sept. 6 29
New York City pays more for public housing (chart & table) ..... Dec. 27 72
Norfolk, Va. gets master plan to guide improvements in traffic flow and parking ..... Aug. 23 26
Philadelphia one of the first cities to return public parking facilities to private management ..... Oct. 25 26
Philadelphia outlines its new public works goals ..... Nov. 29 80
Philadelphia's central city area may be modernized at a cost of $250 million ..... Nov. 15 108
Phoenix, Ariz. on-the-spot report ..... Nov. 29 78
Pittsburgh's urban renewal ASCE spotlight ..... Oct. 25 21
Rochester, N. Y. civic center approved ..... Aug. 9 124
Sacramento, Calif. tries novel bond plan to finance redevelopment ..... Aug. 30 25
St. Louis awards engineering contracts for traffic study ..... Sept. 6 26
San Francisco gets aid for urban renewal project ..... Nov. 29 78
U. S. and Canadian port cities to build and modernize ship handling facilities (map & table) ..... Oct. 18 21

Pozzolans in pavements . . Aug. 2 e96
Pozzolans in pavements. C. J. Caln . . Sept. 20 8
Precast
Carpenters see challenge in the use of precast concrete . . Dec. 6 352
Cranes move in unison to erect 122-foot precast span at Santa Felicia Dam, Calif. . . Sept. 27 •41
High concrete bents frame church . . Dec. 27 •23
Russia precasting speeds erection . . U. S. homebuilders report . . Aug. 9 21
Prestressed
Beam test shows need for web steel. W. E. Dean . . Dec. 20 (F) •36
Concrete overlays for damaged runways . . Oct. 11 93
Connecticut River bridge will have many 120-ft spans . . Sept. 6 27
Driving tests show prestressed piles will take more punishment . . Aug. 9 (F) •33
Girders for Texas bridge (unit prices) . . Dec. 20 61
Hollow-box girder bridges show savings in construction costs. H. K. Preston . . Dec. 27 (F) •34
Midwest Prestressed Concrete Co. plans expansion . . Sept. 13 •146
New way to prestress pipe. Dr. Rolf Schodt . . Dec. 20 •56
Orlando, Fla., school roof collapses, inquiries under way . . Sept. 20 •27
Plastic tubing varies prestress . . July 5 •110
Precast landing decks for helicopters . . Nov. 15 •25
Pretensioned piles, 132 ft long for San Francisco's pier modernization job . . July 19 (F) •33
Reinforced
Bargain contract for Mobile, Ala., concrete wharf (unit prices) . . Dec. 6 216
Concrete tunnel lining in excellent condition after twenty years use . . Oct. 18 (F) •33
Computing reinforcing for oversize columns. Zachary Sherman . . Nov. 15 80
Copenhagen grandstand tops a 5-story clubhouse . . Oct. 4 (F) •55
Dome roof for civic auditorium, Albuquerque, N. M., formed on mound needs no shoring . . Sept. 27 (F) •36
Excavation raises cost of underpass in Washington, D. C. (unit prices) . . Oct. 18 85
Falsework failure of 5-story parking garage . . Oct. 11 25
Falsework failure of 5-story parking garage—Engineer must design formwork. Zachary Sherman . . Nov. 1 8
Florida's four lanes across Tampa Bay built at low cost. W. E. Dean . . Sept. 20 (F) •42
N. Y. C.'s Wagner Houses—concrete placed at 235 cu yd per hr for foundation mat . . Dec. 20 •22
Nice, France exhibition palace concrete louvers arch 285 ft . . Aug. 23 (F) •56
Robins Air Force Base, Macon, Ga., concrete warehouse roof failure sparks more studies . . Sept. 27 •28
Robins Air Force Base, Macon, Ga., concrete warehouse roof failure sparks more studies—Sources of beam cracking. E. M. Ransaa . . Nov. 1 10
Storm sewer at Dow Air Base (unit prices) . . Oct. 25 82
Tallest lightweight concrete building under construction in New York City . . Nov. 29 •26
W. Va. interceptor storm sewer contract—reinforced concrete pipe beats less expensive corrugated metal pipe (unit prices) . . July 26 78
Rocket test cantilever concreting—More on catilever story. A. V. Rizzi . . Aug. 30 9
Saddle-shaped concrete roof . . Oct. 25 (F) •32
Slabs
All-concrete foundation slab replaces steel . . Nov. 1 (F) •33
Flat slab breaks from columns in building failure . . Oct. 11 •24
Heaviest lift-slab forms roof of industrial plant in Lyndhurst, N. J. . . Nov. 22 •25
Long boom, roller screed speed wide slab paving for reservoir . . Dec. 13 (F) •34
Roof-slab form is plastic film laid across reinforcing bars . . Nov. 29 •52
San Mateo, Calif., lift-slab roof collapse in 1954—four men injured get award . . Nov. 29 27
Six-story lift-slab completed Nov. 22 •24
Table Rock Dam constructors—first use of 7½-ft concrete lifts in U. S. . . Sept. 6 (F) •46
Wood falsework for Italian bridge spans 331 ft . . Aug. 16 •71

Carolinas Branch of AGCA simple fact sheet is key to public relations plan ..... Nov. 29 81
Education for construction ..... Oct. 11 e160
Lease-purchase hits snags—contractors eager, but bankers aren't ..... Oct. 11 139
Licensing—Louisiana became the 18th state requiring licensing ..... July 19 26
Licensing—One zero too many. Correction Donald Roberts ..... Aug. 2 8
N. Y. State safety ruling affecting contractors on highway projects may be costly ..... Sept. 20 *25
North Carolina may double its contractors taxes ..... Dec. 20 23
Seattle—"honest error" in storm sewer bid conceded but contractor faces a dilemma ..... Dec. 13 78
Six month outlook ..... Sept. 20 112
Streamlined cost control reduces paper work. Robert Galloway (chart) ..... Dec. 6 (F) *277
Tulley, E. A. & DiNapoli, V. P.—how to get big on small jobs ..... Aug. 16 *82

Contracts

Awards

Airport contracts exceed $600 million for 11 months (unit prices) ..... Dec. 6 240
Heavy construction contract awards climbed in October (table) ..... Nov. 8 137
Heavy construction contracts regional outlook for second half of '56 (chart) ..... July 12 105
Housing awards set August record ..... Sept. 6 169
June awards set record ..... July 5 178
Pressure gap method for forecasting construction control awards. W. G. Potter (charts) ..... Aug. 2 (F) *28
Set a new November record (table) ..... Dec. 6 351
Set September record (table) ..... Oct. 4 141

Bids

Answer to bid-shopping? ..... Nov. 29 e96
Baltimore, Md. contractor wins bid fight ..... July 26 99
Baltimore, Md. second bid gamble pays off ..... Aug. 16 27
Budget balancers built into school bids (table) ..... Dec. 6 (F) *280
Construction room is key to housing bid-price check (charts & tables) ..... Dec. 6 (F) 285
Delaware State Highway Dept. requires prequalification for bidders to obtain data ..... July 12 24
Dow Air Force Base, Bangor, Me. dormitory and dining hall additions—identical bids submitted ..... Nov. 8 *138
Lease-purchase still alive ..... Dec. 27 70
Reclamation Bureau plans bid calls for 36 major contracts ..... Oct. 18 27
Building for industry — contracts awarded by various industries for industrial buildings, 1950-1956 (charts) ..... July 5 (F) 166
Engineering construction contracts ..... July 1956 (table) ..... Aug. 9 134
GSA's Public Buildings Service set for big spurt in federal lease-purchase. V. R. Smith ..... Sept. 6 (F) *22
Heavy construction contracts in '56 (chart) ..... July 12 21
How 81 manufacturers handle design and construction of new plant ..... July 5 (F) 177
New contracts break construction tie-ups in California, Louisiana and Texas ..... July 26 103
Omaha District of Army Engineers changing over to continuous contracts to handle stepped-up program of Missouri River channel improvement ..... Sept. 20 27
Corrosion—Aluminum alloys tested for corrosion resistance ..... Oct. 18 72
Crocker, E. R.—Project manager of the U. S. Bureau of Reclamation retires ..... Nov. 22 *45
Cuba—Construction boom ..... Aug. 30 (F) *42

D

Dams

Africa
Italians refute charge of low wages on Kariba Dam in Rhodesia ..... Aug. 16 138
Kariba Dam—406-ft high arch goes up across 1569-ft gorge ..... Sept. 6 (F) *71
Zambesi River tunnel in Northern Rhodesia nears completion ..... Oct. 25 *22
Alaska
Stuff dreams are made of. Fastkat ..... July 12 10
Australia
Adaminaby Dam, one of the highest earth- and rock-filled dams in the world scheduled for completion in 1960 ..... July 26 *63
Barkley Dam, Ky.
Construction scheduled to start in April ..... Sept. 13 *13
Big Bend Dam, South Dakota Site studied ..... Aug. 30 *25
Bluebird Lake Dam
"High" dam. R. W. Powell ..... Dec. 20
Brazil
Peixoto Dam has arch between gravity sections (map) ..... Aug. 2 (F) *41
Peixoto Dam reaches final stages ..... Dec. 27 *50
Tres Marias Dam on the Sao Francisco River will make river important inland waterway ..... Nov. 1 54
Brownlee Dam
FPC upheld against state effort to stop dam ..... Sept. 13 27
China
Hwai River multiple-arch dam is multipurpose ..... July 26 *65
Columbia
Calima Dam, first CVC undertaking (map) ..... Aug. 9 61
Columbia River
Bonneville and Dalles dams had a close shave in June, but lowland areas suffered some flooding. July 12 *28
Cuba
Underground powerhouse and dams attract international bidding ..... Dec. 6 (F) *274
Dalles Dam, Ore.
Closure accomplished, Columbia River diverted ..... Nov. 1 *28
Finish is in sight ..... Oct. 4 *28
Egypt
Aswan Dam funds denied by U. S. and Gt. Britain ..... July 26 24
For better dams ..... Dec. 27 e88
Fort Peck Dam, Mont.
Concrete outlet tunnel in excellent condition after twenty years use ..... Oct. 18 (F) *33
France
Argentat Dam—cofferdam built to take big floods ..... July 26 *64
Argentat dam cofferdams — overtaxed, not infallible Soletanche ... Aug. 30 8
Garrison Dam, N. D.
Finishing touches given to dam ..... July 19 *25
Finishing touches given to dam—Who's Who at Garrison J. R. Barkis ..... Aug. 16 8
Gavins Point Dam, S. D.
First unit goes on the line ..... Oct. 25 24
Glen Canyon, Colo.
First major contract for the Colorado Project ..... Aug. 16 25
Upper Colorado's $460 million project—major contracts will be let next spring ..... July 19 24
Utah and Arizona battle to get site for construction town ..... Sept. 6 31
Hells Canyon, Idaho
Senate rejected bill ..... July 26 24
Holland
Huge project for defense against the sea (map) ..... Dec. 20 (F) *42
Hungry Horse Dam
Concrete—Sacks, not barrels. L. N. McClellan ..... Sept. 6 14
Ice Harbor Dam, Wash.
Bids opened (map) ..... Dec. 27 25
Work begins, navigation is curtailed ..... Aug. 30 24
India
Fast concreting at Bhakra Dam. M. H. Slocum ..... Dec. 20 9
Indian board picks rubble, local labor for big dam ..... Oct. 4 58
Koyna Dam in Bombay State split up into three stages ..... July 5 *24
Italy
Vajont Dam—Italy's record arch dam. by L. G. Torno ..... Sept. 6 *9
Long Sault
St. Lawrence River's partial diversion at Iroquois Control Dam ..... Nov. 8 *27
Stage set for big St. Lawrence diversion ..... Oct. 18 (F) *30
Mcfee Bend Dam, Tex.
Corps of Engineers ready to build dam on the Angelina River near Jasper ..... Aug. 9 28
Texas water group petitions to halt project ..... Dec. 13 27
McNary Dam, Ore.
Generator flaws show up ..... Nov. 1 46
Montgomery Dam, Colo.
Abrasive rock, asphalt facing for water supply dam (map) ..... Nov. 15 (F) *44
Correction ..... Dec. 20 9
Muddy project, Wash.
Lewis River structure would be earthfill with blanket—cost $34 million ..... Dec. 6 74
Oahe, S. D.
Slides enlarge earthmoving job (map) ..... Oct. 11 (F) *40
Palisades Dam, Idaho
Ready to store water ..... Sept. 20 *28
Pleasant Valley Dam
Pleasant Valley; another Hells Canyon? (map) ..... Dec. 20 (F) *19

* Illustrated; e, editorials; (F) Articles over a page

Pomme de Terre Dam, Mo.
Earthfill dam 25% below estimate (unit prices) ..... Dec. 6 222
Priest Rapids Dams, Wash.
Construction contract largest ever awarded a single contractor July 24 *22
Suit challenges purchase of turbines for powerhouse from Allis-Chalmers ..... Sept. 20 26
U. S. vs. foreign turbine issue persists ..... Oct. 4 27
Resource policy-major joint local-federal proposals (table) ..... Nov. 22 21
Rocky Reach Dam, Wash.
Bonds delivered to pay for first stage of work ..... Dec. 13 79
St. Lawrence Power Dam at Massena, N. Y.
Closed-circuit television keeps an eye on work ..... Aug. 9 *64
St. Lawrence Seaway
Iroquois, Long Sault, and Barnhart Island Dams near completion (map) ..... Dec. 27(F) *28
Salem Church project
Proposed federal dam and power plant on the Rappahannock River Va. subject to controversy ..... Oct. 11 26
San Joaquin River
10 check dams below Friant Dam to ease water controls ..... Aug. 9 25
Santa Felicia Dam, Calif.
Cranes move in unison to erect 122-foot precast span ..... Sept. 27 *41
Stewart Mountain Dam, Ariz.
Painting made easier with novel rig ..... Aug. 16 *74
Swift Dam, Wash.
Highest earthfill dam to get under way soon ..... Nov. 1 *24
Switzerland
Grande Dixence Dam—Swiss dam ahead of schedule A. Winiger ..... July 26 9
Table Rock Dam, Mo.
Constructors try a host of new ideas ..... Sept. 6 (F) *46
Texas
$53,342 earthfill dam to prevent floods at Elm Fork of Trinity River (unit prices) ..... Nov. 8 94
Thailand
Greater Chao Phya Project Headwork ..... Dec. 27 *49
Tri-Dam Project, Calif.
Donnells, Beardsley, and Tulloch dams on the Stanislaus River was a lengthly exercise in planning and financing (map) ..... Aug. 16 (F) *40
PG&E's part in Tri-Dam F. E. Bonner ..... Sept. 27 8
True partnership needed ..... Dec. 20 e92
Tuttle Creek Dam, Kan.
Troubles moving earth cause switch from earthmoving equipment to dredge ..... Nov. 29 25
Venezuela
Guarico Dam; another bustling and dramatic Venezuelan job (map) ..... Sept. 27 *51
Ventura project dam
Water users will pay N. B. Bennett ..... Aug. 9 14
Washington
Power dam reconnaissance aided by helicopter ..... Oct. 4 *32
Wilson Dam
Wilson Lock: models lick and 100-ft lift ..... Aug. 30 (F) *34

Defense

Aiding national defense ..... July 26 e120
Air Force's newest ocean radar platform east of Sandy Hook is tilted down into place ..... Oct. 25 (F) *40
Civil defense lesson ..... Aug. 2 e96
Eisenhower's record on construction-military construction (chart) July 19 21
General Itschner heads a strengthened corps V. B. Smith ..... Oct. 11 *21
Second Texas tower rises over the sea on Nantucket Shoals ..... Aug. 16 *26
Dikes—Cooper River diversion scheme near Charleston, S. C. hinged on placing a marl dike in tidewater (map) ..... July 19 (F) *47
DiNapoli, Vincent P.—Tully & DiNapoli contracting firm ..... Aug. 16 *82

Drafting

Cutting drafting costs—11 techniques to save time ..... Nov. 8 136
Help for the draftsman ..... Nov. 22 e100
More time for giving data J. H. Bergan ..... Dec. 20 9

Drainage

Israel drains 15,000 acres of Jordan River swampland (map) ..... July 19 *59
Mississippi drainage ditches cleared at lower costs B. B. Hodgen ..... Dec. 6 (F) *287
Roof Drainage Manufacturers Institute formed ..... Dec. 20 73
U. S. to host for Third Congress of the International Commission on Irrigation and Drainage ..... Sept. 13 52
Drawings—Inserted as windows in computer punch cards ..... Nov. 15 *78

Dredges and Dredging

Channel excavation on St. Lawrence 26% above estimate (unit prices) ..... Dec. 13 60
Columbia buys dredge for river navigation work at the Magdalena River ..... Nov. 8 *61
Floating sump halves dredging costs R. T. Klotz ..... Aug. 16 (F) *57
Great Lakes channel deepening project-44,000,000 yards to go (map, chart & table) ..... July 26 26
Tuttle Creek Dam—troubles moving earth cause switch from earthmoving equipment to dredge ..... Nov. 29 25

Drills and Drilling

Drill design key to lower soil testing cost ..... Dec. 20 *51
Persian Gulf "Texas Tower" planned ..... Sept. 13 68
Rotary drill makes 7⅞-inch hole in rock ..... Oct. 4 *73
Swedish hydro tunnel drivers develop new drilling pattern ..... Nov. 8 (F) *51

Drydocks

Camden, N. J.—building a drydock to hatch an aircraft carrier ..... Nov. 22 (F) *32
Largest floating drydock in service at the San Diego Naval Station ..... Oct. 11 *140
Largest floating drydock in service at the San Diego Naval Station-Bigger floating docks J. D. Thompson ..... Nov. 22 6
Du Pont, Francis V.—Joins with consulting firms ..... Dec. 13 *52

Rochester, N. Y., civic center approved ..... Aug. 9 134
Russian city planning considered excellent by U. S. homebuilders ..... Aug. 9 21
San Francisco gets aid for urban renewal project ..... Nov. 29 78
Seattle, Wash., will reclaim land for new industrial area ..... Aug. 22 27
Plant Location—Ohio River Valley—site shapes up for aluminum plant ..... July 26 *25

Plastics

Plastic ceiling panels diffuse light, absorb sound ..... July 5 *110
Plastic house—M.I.T. test home goes up in Disneyland ..... Sept. 13 102
Plastic tubing varies prestress ..... July 5 *110
Roof-slab form is plastic film laid across reinforcing bars ..... Nov. 29 *52

Plywood

Plywood panels have builtin framing ..... Oct. 11 *29
Striated plywood facing on forms for a Houston underpass ..... Oct. 11 *69

Ports and Harbors

Argentina plans port work ..... Nov. 15 69
Boston Harbor—mile-long face lift for a weary pier at S. Boston Army Base ..... Nov. 1 (F) *36
Boston's Castle Island Terminal—construction without disruption ..... Dec. 29 (F) *38
Creating a new port for Freeport—new terminal near mouth of Brazos River, Tex. Adams & Wait ..... Aug. 23 (F) *36
Ecuador port plans changed on advice from U. S. engineers ..... Sept. 13 64
Ecuador—port change clarified. J. H. Douma ..... Oct. 4 8
Houston provides a quiet bed for retired battleship Texas—free-standing bulkhead wards off waves from passing ships ..... Aug. 2 (F) *51
Jersey City—pipes become submarines to get under loading pier. Oct. 18 (F) *46
Models showing floating landing piers of Normandy invasion harbors put on display in memorial museum in France ..... Sept. 13 *65
Nicaragua will ask foreign bids on $5-million port job ..... Sept. 6 77
Norfolk, Va. waterfront plan has $17-million price tag ..... Nov. 1 29
Philadelphia—$60 million port program urged ..... Aug. 30 25
President's veto of rivers and harbors bill—A courageous veto ..... Aug. 23 e132
San Francisco's pier modernization job uses pretensioned piles, 132 ft long ..... July 19 (F) *33
San Francisco port—More on long piles. A. A. Ezra ..... Aug. 23 9
Taconite Harbor on Lake Superior is built by ore industry. Alonzo DeF. Quinn (map) ..... Oct. 18 (F) *38
U. S. and Canadian ports—age and competition spur a new boom (map & table) ..... Oct. 18 *21
U. S. and Canadian ports—Corpus Christi builds too. Duane Orr ..... Nov. 15 11

Power and Power Plants

Africa's Gold Coast hydro-aluminum project is termed feasible ..... Sept. 13 68
Calder Hall Station in England is world's first commercial nuclear power plant ..... Oct. 25 *48
Chicago, Ill., largest all-nuclear atomic power station to be located 47 mi southwest of Chicago ..... Aug. 16 25
Cresap, W. Va.—power plant to be built ..... July 26 *25
Cuba's underground powerhouse and dams attract international bidding ..... Dec. 6 (F) *274
Eisenhower Administration's controversial partnership policy in natural resources development is getting careful reappraisal ..... Nov. 22 21
Firms plan to add 50 million kilowatts by 1960 ..... Dec. 29 73
French "sea-power" plant could produce food, too ..... Sept. 13 64
Gallatin Steam Plant adds TVA's latest, biggest pair of units. C. W. Bell ..... Aug. 23 (F) *52
Hana powerhouse, Calif. first big underground plant in U. S. ..... Oct. 18 *26
Impasse between U. S. and Canada over Columbia River power. Howard Jacoby (map) ..... Aug. 23 (F) *21
Impasse between U. S. and Canada over Columbia River power—Local views on Columbia power. W. H. Holmes ..... Nov. 1 8
Impasse on the Columbia ..... Aug. 23 e132
Impasse over Columbia River power—Columbia River potential. D. J. Fee ..... Oct. 4 8
Lansing, Mich.—cooling tower for steam generating plant uses prestressed concrete beams, makes a virtue out of the steel shortage ..... Nov. 1 (F) *33
Missouri River Basin argument—navigation or power—starts anew ..... Oct. 4 26
Indiana plant to have 450,000-kw steam unit ..... Sept. 20 27
Memphis plans 750,000-kw steam plant. Dixon-Yates epilog ..... Nov. 22 27
Memphis, Tenn. sells biggest city bond issue at highest rate to finance steam power plant ..... Dec. 20 22
Michigan atom plant opposed by unions ..... Nov. 15 114
Niagara—Action needed on Niagara Power ..... July 5 e200
Niagara Falls—More delay at Niagara ..... Sept. 13 e168
Niagara Falls—N. Y. Power Authority will try the back door for project ..... Aug. 16 25
Niagara power—necessary action made urgent by Schoellkopf rockslide seems now imminent ..... July 5 30
Niagara power project—state loan to speed work ..... Nov. 1 29
Niagara power question goes before FPC ..... Nov. 22 27
Not entirely for us ..... Nov. 15 e132
Pacific P&L explores Oregon power site ..... Sept. 6 28
Peru's Canon del Pato hydroelectric project (map) ..... Nov. 1 *51
Priest Rapids powerhouse—suit challenges purchase of turbines from Allis-Chalmers ..... Sept. 20 26
St. Lawrence project about 40% complete (map) ..... Dec. 27 (F) *28
Schoellkopf Station of Niagara Mohawk Power cleanup operations ..... Aug. 16 *24
Soviet's big and bold power plans. Shelton Fisher (map) ..... Oct. 11 *27
Washington State PUDs propose joint projects ..... Nov. 8 23
Washington State seeks refined cost data for steam power project. Nov. 29 28
Correction ..... Dec. 20 10
World Power Conference—Fifth Congress in Vienna assesses power progress ..... Sept. 20 (F) *61
Public Relations—Carolinas Branch of AGC'A simple fact sheet is key to public relations plan ..... Nov. 29 81

Public Works

Appropriation bill approved—federal funds up as 159 project starts are voted ..... July 5 27
Authorities vs. elected city officials—problem highlights APWA convention ..... Oct. 4 (F) *26
Big day for public works—voters add 2 billion to local debt ..... Nov. 15 22
California water—6-billion, five-year plan for public works announced ..... July 12 28
Cuba pushes a construction boom ..... Aug. 30 (F) *42
Federal construction boom will go on ..... Nov. 15 21
GSA's Public Buildings Service set for big spurt in federal lease-purchase. V. H. Smith ..... Sept. 6 (F) *23
Local governments must double annual spending for public works by 1964 ..... Nov. 29 77
Nashville, Tenn.—urban service to suburbs ..... Nov. 1 23
New look for authorities ..... Oct. 11 e160
Philadelphia outlines its new public works goals ..... Nov. 29 80
Planning outlined to governors and public works administrators at a special meeting in Minneapolis ..... Dec. 13 77
Regional outlook for the second half of '58 (chart) ..... July 12 105
Resources policy—major joint local-federal proposals (table) ..... Nov. 22 21

Schools

College construction mushrooming into boom construction (chart) ..... Sept. 27 (F) 21
Costs in New York City 1955 (charts & tables) ..... Dec. 6 211
Delaware's 5% fee limit on "architects' fees repealed ..... July 5 30
Eisenhower's record on construction—schools (chart) ..... July 19 21
Elk Point, S. D. High School—Soil settlement caused walls to crack ..... Oct. 11 *33
New York City establishes ten-year new school costs ..... Sept. 6 26
New York City—School of Printing will be walled with colored glass blocks ..... Aug. 2 *25
New York school financing group appointed ..... Dec. 13 78
New York urges new approach to problem because of rising costs ..... Dec. 6 349
No federal aid for schools ..... July 19 e132
Orlando, Fla.—rain broke school roof ..... Oct. 18 27
Orlando, Fla., school roof collapse, held a hearing failure ..... Nov. 8 25
Orlando, Fla., school roof collapses, inquiries underway ..... Sept. 20 *27
Puyallup, Wash.—plywood panels with builtin framing used for a breezeway roof ..... Oct. 11 *29
San Bernardino, Calif., gets prefab metal portable classroom buildings ..... Oct. 11 *73
Teaneck Road Junior High School budget balancers built into school bids (table) ..... Dec. 6 (F) *240
Wachter, William W., to become Hawaii's Superintendent of Public Works ..... Dec. 29 24

Pumps and Pumping

Chemicals dry up pump pit job as Chicago modernizes old pumping stations. C. M. Riedel ..... Oct. 4 (F) *49
New York's Hudson River unused pumping station at Chelsea faces destruction ..... July 12 *25
Weld-repairs on pumps save money ..... July 19 *63

Q

Quays see Ports and Harbors

R

Rail and Water Terminals

Asphalt cap solves seawall problem at Seattle, Wash. Army Terminal ..... Oct. 4 *92
Boston's Castle Island Terminal—construction without disruption ..... Dec. 29 (F) *38
Creating a new port for Freeport, Texas. Adams & Wait ..... Aug. 23 (F) *36
N. Y. Port group to build $7.7 million in new terminals ..... Aug. 2 22
New Rochelle, N. Y. plans combined ex-press station and shopping center ..... Sept. 6 29
Taconite Harbor, shipping terminal on Lake Superior for Hoyt Lakes, Minn. taconite plant. Alonzo DeF. Quinn (map) ..... Oct. 18 (F) *38

Railways

Chicago's Congress Street Expressway, running beneath main tracks of passenger station, calls for rebuilding track structure—jacks put tracks on precast spans. Milton Pikarsky ..... Sept. 13 (F) *46
Colombian railroad will give direct access to northern ports on Caribbean (map) ..... Oct. 11 *63
Cost index of road construction (table) ..... Dec. 6 197
Great Northern Railway's ventilation project in the Cascade Tunnel, Wash., changes tunnel operation ..... Nov. 8 *52
Southern Pacific's Salt Lake crossing—big blast, 600,000 lb. of explosives, provides fill for job ..... Nov. 29 *28
Steel truss railroad structure across Lulualaba River in Belgian Congo being constructed ..... Sept. 13 *64
Viaduct across the Erie Railroad near Suffern, N. Y., sets welded-girder record. E. J. Ramer ..... Nov. 1 (F) *43
Reeves, Arthur B.—Irrigation expert to retire from Reclamation Bureau. Dec. 6 *313

Research

Airfield rigid paving specifications met by new finishing equipment ..... Dec. 6 308
Aluminum alloys tested for corrosion resistance ..... Oct. 18 72
Asphalt durability—new instrument predicts life-span of pavement ..... July 19 70
Atomic wastes—three-year study indicates effects upon fish ..... July 26 72
Boilers analyzed by electronic system ..... Dec. 20 56
British research yields faster way to predict strength of concrete. Sept. 6 99
Concrete deterioration from frost action will be studied by Reclamation Bureau ..... Aug. 9 68
Building materials—tests identify gases from burning materials ..... Oct. 18 73
Bumpless pavement is goal of new Lehigh experiments ..... Oct. 18 72
Concrete overlays for damaged runways ..... Oct. 11 93
Fire research center planned by PCA at Skokie, Ill. ..... Aug. 9 66
Fresh-from-salt water project gets boost from Congress ..... July 26 70
Funds willed to engineering foundation ..... Oct. 11 93
Gypsum Assn. okays gluing of tile to plaster ..... Oct. 18 73
How much does insulation pay off? ..... Sept. 6 99
Improvement of clay pipe to be studied ..... Oct. 4 68
Mine-acid-inhibitor—USPHS moves to clear up legal cloud, push research ..... Aug. 16 81
Mineral additives prolong life of asphalt roofing ..... July 26 70
New data on how materials behave ..... Oct. 4 (F) 45
New way to prestress pipe. Dr. Rolf Schjodt ..... Dec. 29 *56
Nuclear reactor of swimming-pool type for Battelle Institute, Columbus, Ohio ..... Nov. 8 *23

* Illustrated; e, editorials; (F) Articles over a page

Street Traffic

Columbia Univ. Teachers College gets $50,000 grant for study of traffic safety ..... Oct. 4 35
New York—three-state net planned for N. Y. traffic control ..... Aug. 9 24
Norfolk, Va. gets master plan to guide improvements in traffic flow and parking ..... Aug. 23 26
Parking
Detroit's seven-month survey indicates feasibility of underground parking garage beneath Cadillac Square ..... July 5 30
Massapequa Park, L. I. 13-acre parking lot for shopping center largest soil-cement operation ..... Oct. 25 *77
Parking is private problem under Milwaukee's proposed zoning law ..... Nov. 29 30
Philadelphia will give up its public parking business ..... Oct. 25 26
Tucson, Ariz. report recommends $3.6-million parking plan ..... July 5 30
Wilmington, Del. long-range parking plan ..... Aug. 9 30
St. Louis awards engineering contracts for street traffic study ..... Sept. 6 26
Street blocking regulations are reported in APWA study ..... Dec. 6 76
Sturgis, Lt. Gen. S. D.—Retiring Chief of Engineers. V. B. Smith ..... Oct. 11 *21

Subways

Cleveland—rising cost estimates dim future of subway ..... July 19 24
New York City—HMT and IRT subways damaged by water use in fire fighting ..... July 19 25
New York City—tons of water to quench fire cause subway washout, fast repair needed ..... July 26 *23

Surveys and Surveying

Computer will speed data processing on U. S. streams ..... Sept. 20 28
Cuba to be mapped by aerial photogrammetry ..... Dec. 20 49
Engineer manpower—land surveyors. G. E. Ainsworth ..... Dec. 20 9
Helicopter aids power dam reconnaissance in Washington ..... Oct. 4 *32
Photogrammetry's growth sets stage for doubling a market in a decade (chart) ..... Nov. 15 107

Swimming Pools

Toledo, Ohio—replacement pool prices include demolition ..... Dec. 6 284
Welded pool in Oroville, Calif. won't crack in quakes ..... Aug. 23 *28
Yakima, Wash.—pool prices in detail (table) ..... Dec. 6 (F) 284

T

Tallamy, Bertram D.—A fine appointment ..... Oct. 25 e132
Named administrator of the Highway Program ..... Oct. 18 25
Tanks and Standpipes—Preventing lightning fires in floating top oil tanks ..... Oct. 4 66
Submarinelike tank slipped inside pipe simplified Hudson River pipeline job at Jersey City loading pier ..... Oct. 18 (F) *46

Taxation

AFL-CIO asks tax reduction, would close loopholes, up exemptions ..... July 12 112
Baltimore approves new tax though firms warn of curbs in expansion plans ..... Dec. 20 23
Baltimore firms threaten to curtail plant expansion plans if property tax is imposed ..... Dec. 6 74
Louisiana approves tax exemptions to develop new industry ..... Nov. 29 79
Meany sees higher wages and tax cuts necessary ..... Aug. 2 79
New Jersey Governor seeks gas tax increase to finance state's share of highway program ..... Sept. 13 28
North Carolina may double its contractors taxes ..... Dec. 20 23
Tax aid—key to future steel prices (charts) ..... Sept. 20 (F) 107

Television

Cedar Rapids, Iowa, television tower toppled by wind ..... Dec. 20 *23
Closed-circuit television for surveillance of construction of St Lawrence Power Dam at Massena, N. Y. ..... Aug. 9 *64
Guide for television station cost estimates. R. D. Chipp (tables) ..... Dec. 6 (F) 273
Smiths on TV ..... Sept. 6 e192
Table Rock Dam—cableway control via TV ..... Sept. 6 (F) *46
TV on construction ..... Sept. 6 e192

Tennessee Valley Authority

Gallatin Steam Plant adds TVA's latest, biggest pair of units. C. W. Bell ..... Aug. 23 (F) *52
Water shortage and dwindling power reserve tempts Tennessee leaders to become selective in luring industrial users ..... Nov. 1 29
Wilson Lock: models lick site and 100-ft lift ..... Aug. 30 (F) *34
Termites—Hawaii Highway Dept. battles bridge-devouring termites ..... July 12 28
Testing—Convairs silencer building quiets jet engines ..... Oct. 4 *35
New data on how materials behave ..... Oct. 4 (F) 45
Tornados see Wind Storms

Towers

Cedar Rapids, Iowa, television tower toppled by wind ..... Dec. 20 *23
Edmonton, Alberta—tubular steel hoist tower collapses ..... Oct. 25 *28
North Bergen, N. J.—riggers' skill folds damaged tower ..... Nov. 22 *26
Radio tower on Canadian-U. S. border will test new theory ..... July 5 *32
Rocket test stand cantilever concreteing needs massive timber tower support ..... July 26 (F) *40
Second Texas Tower is Air Force base. C. Pratt Brown ..... Sept. 20 10

Training

AEC fellowships to advance nuclear energy technology ..... Nov. 22 55
Automation spurs training for Canadian electricians ..... Aug. 23 119
Corps of Engineers and College of the Pacific set up engineer training program ..... Oct. 25 28
Education for construction ..... Oct. 11 e160
Engineering manpower problem in construction (report) (chart) Nov. 8 (F) *28
Financing of training programs for apprentices and journeymen a problem facing labor and industry, according to director of Federal-Bureau of Apprenticeship ..... Oct. 18 118
High school guidance man says: Don't blame us for the shortage. J. F. Ohles ..... Nov. 8 *39
Labor group undertakes training program in Greece ..... Sept. 27 113
New schools promise supply of engineers, technicians ..... Dec. 6 78
Pre-job training, bricklayer apprentices are taught trade fundamentals ..... Nov. 8 142
Train apprentices fully ..... Oct. 18 e132
Training for construction management—contractors and educators exchange views ..... July 5 29
Upgrading the technician ..... Dec. 27 e88
Tramways see Cables and Cableways

Transportation

Age and competition spur new ports boom (map & table) ..... Oct. 18 *21
Air transport cheaper in the Arctic ..... Dec. 6 287
Chicago elevated will try moving ramp ..... Oct. 18 *28
Great Lakes port for shipping taconite is built by ore industry. Alonzo DeF. Quinn (map) Oct. 18 (F) *38
Monorail transit okayed for Texas State Fair ..... Aug. 9 30
Rapid transit system linking New Jersey and Philadelphia wins an endorsement ..... Aug. 30 24
Research for the transportation industry at new technical center at Northwestern Univ. ..... Oct. 18 28

Trusses

Old truss is removed, put back in in a Seattle remodelling program. Oct. 25 *24

* Illustrated; e, editorials; (F) Articles over a page

Steel trussed arches, span 360 ft in Edwards Air Force Base hangar Aug. 9 (F) *36
Truss spans erected on barges for Grey's Point Bridge, Va. Nov. 8 (F) *54
Tully, Edward A.—head of Tully & Di-Napoli contracting firm Aug. 16 *82

Tunnels

Banihal Tunnel, Kashmir
Scheduled for 1958 completion Nov. 29 44
Brazil
Peixoto Dam's 53 ft dia 600 ft long diversion tunnel is one of the largest ever mined (map) Aug. 2 (F) *43
Canada
Possible effects on channel holds up B. C. Fraser River tunnel work Nov. 8 62
Cascade Tunnel, Wash.
Ventilation system changes tunnel operation Nov. 8 *52
Cuba—vehicular tunnel to connect downtown Havana with underdeveloped land across the Bay of Havana underway Aug. 30 *43
Denver's water diversion under Continental Divide (unit prices) Dec. 6 227
Feather River diversion tunnel collapse kills two as timber supports fail July 12 24
Ft. Pitt Tunnel at Pittsburgh contracts slated for award this year Oct. 18 25
Haas power plant, Calif. hydro project to have first big underground plant in U. S. Oct. 18 *26
Hampton Roads Bridge-Tunnel Norfolk Va.
Approaches slow Hampton Roads job (map) Nov. 29 (F) *34
Honolulu's traffic tunnel redesign to include invert Oct. 11 59
Kammon Tunnel, Japan
Traffic tunnel is biggest Japanese job (map) Sept. 13 (F) *57
Louisiana appropriated $14 million for tunnel under the Industrial Canal in New Orleans July 19 28
Missouri River's Fort Peck Dam—Concrete tunnel lining after twenty years use Oct. 18 (F) *33
New York City
Lincoln Tunnel—girders for mainline approach to the Pennsylvania RR Station connected during slack hours Aug. 23 *26
Lincoln Tunnel third tube nears final stage—water jets push completion Sept. 20 (F) *36
Seattle City Light offers reservoir tunnels to locate water leaks as a safeguard to mining properties Nov. 15 *27
Sweden—new drilling pattern used on hydro tunnel Nov. 8 (F) *51
Underwater tunnels—Older sunk-in-place tunnel, Shu-T'ien Li July 19 10
Virginia
Chesapeake bridge tunnel advances with traffic study Aug. 9 28
Norfolk and Portsmouth give two site preferences July 19 24
West Delaware Tunnel, N. Y.
44-mile water tunnel hits its first snag Sept. 27 (F) *36
Prices up (unit prices) Dec. 6 229

U

Unit Prices—July 5-137, July 12-74, July 19-89, July 26-78, Aug. 2-62, Aug. 9-91, Aug. 16-98, Aug. 23-86, Aug. 30-66, Sept. 6-120, Sept. 13-110, Sept. 20-89, Sept. 27-72, Oct. 4-107, Oct. 11-108, Oct. 18-85, Oct. 25-82, Nov. 1-78, Nov. 8-94, Nov. 15-82, Nov. 22-56, Nov. 29-58, Dec. 6-215, Dec. 13-60, Dec. 20-61, Dec. 27 58
United Nations—1957's Expanded Program of Technical Assistance, Oct. 25 109
U. S. Air Force—Requests funds for new jet strip at New Castle, Del. County Airport July 5 32

U. S. Army Engineers

Fort Belvoir, Va. power reactor to furnish training facility for Army personnel July 12 (F) *45
Itschner, Maj. Gen. Emerson C. new Chief of Engineers Aug. 23 *25
New chief takes over a "New Corps"—V. R. Smith Oct. 11 *21

U. S. Bureau of Public Roads

Pilot state plan to study interstate system traffic Aug. 16 24
Right man needed Aug. 16 e136
Takes over supervision of Alaska Road Commission Oct. 11 44
U. S. Bureau of Reclamation—Lists future large construction jobs Oct. 18 27
U. S. Public Health Service—Getting aid to sewage works rolling—how to spend a half-billion dollars Oct. 4 (F) *23

Walls

Air holds up warehouse roof walls Nov. 8 *67
Bronze panels for Seagram Building, N. Y. C. Nov. 8 *24
Building for industry—what are the prospects for wall construction? July 5 *40
Enfield, Conn. state prison plans bog down in disagreement over type of enclosure July 26 28
Glass walls with panelized back-up enclose four-story building Nov. 15 *23
Masonry producers unveil new wall assemblies Sept. 27 (F) *24
New vistas in wall design Oct. 4 e164
New York City—School of Printing will be walled with colored glass blocks Aug. 2 *25
Russians prefabricate walls and floors in new housing project Sept. 6 *72
Sandwich, limestone-faced panel with insulation and metal backing for state buildings at Harrisburg, Pa. Aug. 16 (F) *35
Steel sandwich panels curtain five-story building Nov. 8 *25

Warehouses

Air holds up warehouse roof walls Nov. 8 *67
New Orleans warehouse low cost construction achieved through use of wood "poles" to support building Sept. 13 *87
Robins Air Force Base, Macon, Ga., concrete warehouse roof failure sparks more studies Sept. 27 *28
Wichita, Kan. cold storage depot gets novel roof of rigid insulation units of cellular-glass type Nov. 29 (F) *41

Wastes, Industrial

Atomic wastes harm fishlife—three-year study indicates July 26 72
Automatic controls: next—full automation?—ENR status report Aug. 2 *19
Georgia-Pacific Paper offers to pipe sulphate paper wastes from planned Toledo, Ore. plant into Pacific Sept. 20 25
Getting aid to sewage works rolling—how to spend a half-billion dollars Oct. 4 (F) *23
N.Y.C. set for $142-million pollution control program hopes for federal aid Aug. 23 26
New York's $142-million program—Federal aid poser Aug. 30 e96
Oahu community plans complete sewerage system Dec. 20 44
Ontario water agency ready for international effort Nov. 29 25
Pickle liquor plant to treat sulphate liquor by new Blaw-Knox method Sept. 20 25
Pollution bill now law—aid included July 5 28
Rayonier's Shelton pulp mill won't close but conditions must change Sept. 6 27
Shelton, Wash. pulp mill's discharge of sulphite-waste liquor destroys oyster beds—mill may be forced to close Aug. 2 22
Water Mains—Hamilton County, Ohio, water line shows wide range in bids (unit prices) Aug. 9 51
Seattle water line with channel crossing will cost $479,779 (unit prices) Oct. 25 82

Water Pollution

California's basic aid priority plan (table) Oct. 18 24
Commendable pollution law July 12 e128
Congressman on pollution, J. A. Hlatnik Aug. 23 9
Criteria for propriety of federal aid Nov. 15 26
Eisenhower's record on construction—stream pollution (chart) July 19 21
FSIWA convention puts spotlight on bugs in the pollution control law Oct. 18 24
Georgia-Pacific Paper offers to pipe sulphate paper wastes from planned Toledo, Ore. plant into Pacific Sept. 20 25
N.Y.C. set for $142-million pollution control program hopes for federal aid Aug. 23 26
New York's $142-million program—Federal aid poser Aug. 30 e96
Ohio is winning fight against water pollution—Replacing the inadequate Art Robinson July 12 10
Ohio River Valley Water Sanitation Commission sees progress July 19 28
Ontario water agency ready for international effort Nov. 29 25
Pollution bill now law—aid included July 5 28
Pollution progress slowed Oct. 25 e132
Potomac pollution control plan for metropolitan Washington Dec. 13 28
Progress against pollution Nov. 22 e100
PHS set to enforce Pollution Control Act Aug. 2 25
Raritan Valley clean-up (map) Nov. 15 (F) *34
Rayonier's Shelton pulp mill won't close but conditions must change Sept. 6 27
Shelton, Wash. mill may be forced to close Aug. 2 22
Ukiah Pine Lumber pays Calif. cash settlement for pollution of fish eggs Sept. 6 31
Wayne County, Mich.—clean water found in unlikely river (map) Dec. 20 (F) *30
Water Pollution see also Wastes, industrial

Water Resources

California's Feather River Project may get an early start Nov. 8 *26
California water director reveals plan for operation July 12 25
Columbia Basin Compact — federal agencies approve changes in original draft Oct. 4 35
Columbia River—impasse between U. S. and Canada over Columbia River power, Howard Jacoby (map) Aug. 23 (F) *21
